

STANDARD TERMS AND CONDITIONS OF MLI-ISSUED PURCHASE ORDER

This purchase order ("PO"), which includes the following standard terms and conditions along with any specific terms and provisions, constitutes the sole and exclusive agreement for the purchase of goods and/or services by Moses Lake Industries, Inc., a Washington Corporation ("MLI") from seller or service contractor ("Vendor").

These standard terms and conditions for MLI POs are effective for all MLI POs issued on or after the Rev. Date noted in the header of this document and supersede all other previous versions of standard terms and conditions issued before the Rev. Date noted in the header of this document.

To the extent that specific terms and provisions contradict the standard terms and conditions, the specific terms and provisions will take precedent. Acceptance of this PO by Vendor is expressly limited to the standard terms and conditions and any MLI-appended specific terms and provisions. MLI will not be bound by any terms and conditions contained in any prior oral or written communication, including, without limitation, Vendor's invoice or shipping documents, which are different from or in addition to these terms and conditions. All such inconsistent or additional terms are hereby rejected unless agreed to in writing by a manager-level or higher representative of MLI, whether or not they would materially alter this document. Vendor will be deemed to have assented to these terms and conditions upon the earliest occurrence of (i) any part of the goods and/or services described herein being shipped/performed, (ii) an invoice is presented in connection with the said goods and/or services, or (iii) upon any other acknowledgment of acceptance or commencement of performance with regard to this PO. MLI reserves the right to revoke this PO at any time prior to Vendor's receipt of notice of acceptance.

1. **Delivery** — TIME IS OF THE ESSENCE IN FULFILLING THIS PO. Unless otherwise modified by routing letter from MLI or other writing from a manager-level or higher representative of MLI, goods covered by this PO shall be shipped F.O.B. MLI's designated delivery point, Freight Prepaid and Allowed. Title to goods and risk of loss will pass to MLI only upon MLI's acceptance of the goods following delivery to and final inspection by MLI at MLI's specified end destination. Delivery in advance of the specified MLI's shipping date will not cause passage of title, transfer of risk of loss and/or establish F.O.B. point. Transportation charges on goods delivered F.O.B. destination must be prepaid. No charges for unauthorized transportation will be allowed. Any unauthorized shipment which will result in excess transportation charges must be fully prepaid by the Vendor. Unauthorized transportation charges not prepaid will be deducted by MLI. Deliveries must be made between the hours of 8:00 a.m. and 4:00 p.m. prevailing Pacific Time, Monday through Friday, and not on U.S. national holidays, unless MLI authorizes other days and times in advance of delivery.

All goods must be properly packed for shipment in accordance with good commercial practices. Any loss or damage, whenever occurring, that results from improper packaging or crating shall be borne by Vendor. Vendor shall comply with MLI's routing and shipping instructions. If instructions are not attached to the PO or have not been received already, Vendor must request instructions from MLI. Vendor shall notify MLI at least 5 business days before shipment regarding any changes in delivery of goods and/or services, or as soon as possible if Vendor becomes aware of change of delivery within 5 business days of scheduled delivery. The PO is subject to cancellation if the goods are not shipped at the specified time. MLI reserves the right to refuse deliveries made in advance of the specified delivery schedule. MLI may return goods shipped after the time specified to Vendor at Vendor's expense for full credit. Retention of all or any part of such goods shall not be considered acceptance of same. Acceptance of such goods shall not be deemed a waiver of MLI's right to hold Vendor liable for any loss or damage, nor shall it act as a modification of Vendor's obligation to make future deliveries in accordance with the delivery schedule. MLI may also, if shipment is not made on time,

purchase similar goods in the open market in such quantities as MLI may choose (but not exceeding the amount called for in the PO) and hold Vendor responsible for the difference, if any, between the price so paid and the PO price.

2. **Order Changes** - MLI shall have the right at any time to make changes to and/or cancel this PO by written notice to Vendor, and Vendor agrees to comply with such changes. If such changes cause a material increase or decrease in Vendor's costs or time of performance of this PO, Vendor shall notify MLI immediately and negotiate an adjustment. Changes or cancellations related to custom contract parts, the negotiated custom contract related to change orders and/or cancellation will prevail.
3. **Payment; Price** — Terms of sale are net 30 days of date of MLI's receipt of a sufficiently clear invoice. Payment of an invoice shall not constitute acceptance of the goods and/or services, and shall be subject to appropriate adjustment for failure of Vendor to meet the requirements of this PO. If any amount of an invoice is disputed, MLI will pay only the undisputed portion of the invoice prior to resolution of the dispute. Prices for all goods and services purchased by MLI under this Agreement are as set out in the PO. Unless otherwise specified in the PO, the price includes all taxes and other charges such as shipping and delivery charges, duties, customs, tariffs, imposts and government-imposed surcharges. No extra charges of any kind will be allowed unless MLI consents to them in writing in advance of shipment. Vendor warrants that the prices charged for the goods and/or services ordered are as low as the lowest prices charged by the Vendor to any customers purchasing the same or similar goods and/or services. MLI, without liability to Vendor, may deduct from any amounts due to Vendor, any amounts owed to MLI by Vendor under this PO or otherwise, and may withhold any payment without penalty to MLI if Vendor owes any amount of money to MLI. In accepting this PO, Vendor affirms that there are no pending defaults with regard to any previous MLI-issued PO.
4. **Shipping Documentation** – All shipping documents must reference MLI's PO number. For all materials imported into the United States, Vendor shall provide an Import Security Filing 10+2 form not less than 72 hours before the goods are loaded onto an ocean vessel should such a vessel be utilized to transport goods; the form should be emailed to purchasing@mlindustries.com. Vendor shall promptly notify and provide MLI with necessary or applicable supporting documents, permits, approvals, or information required to comply with export or import regulations; documents should be emailed to purchasing@mlindustries.com, with originals mailed to Moses Lake Industries, Inc., c/o: Purchasing Department, 8248 Randolph Road NE, Moses Lake, Washington 98837. These documents include, but are not limited to, invoice, bill of lading, packing list, certificate of analysis ("COA"), safety data sheets ("SDSs"), and arrival notice. Additional fees, penalties, or costs borne by MLI due to Vendor's failure to comply with such regulations will be reimbursed by Vendor within 30 days of MLI's request for such reimbursement. 7. **Force Majeure** – Vendor shall not be liable to MLI if, but only to the extent, the failure to perform this PO arises out of an act of God, fire, flood, other natural disaster, act of governmental authority or other events beyond a Party’s reasonable commercial control (but excluding labor disputes and economic or financial difficulties), and without the fault or negligence of the Vendor and/or their subcontractor. Vendor shall notify MLI by the timeliest means available and will confirm in writing, within two (2) business days of the inception of such delay, and describe in reasonable detail the circumstances causing such delay. In the event of such delay, MLI may, at its sole option, cancel deliveries scheduled during the period of the delay or toll the deadline for such deliveries for the duration of such delay, not to exceed thirty (30) calendar days. If the delay is likely to last longer than thirty (30) days, Vendor shall be responsible for delivering substitute or interim Goods and/or Services by the end of such thirty (30) day grace period, or MLI may, without liability, elect to cancel any portion of this PO.

8. **Inspections and Remedies** – Any goods and/or services under this PO may be inspected and tested by MLI, its customers, higher tier contractors, the U.S. Government, or an inspector chosen by MLI at all reasonable times and places. Such goods and/or services shall not be replaced or continued without written authorization from MLI. MLI may accept, without prejudice, a portion of any shipment, and, at its option, have Vendor repair or replace any non-conforming portion of the shipment at Vendor’s expense. Vendor shall promptly remove rejected items at Vendor’s expense and risk.
